

Hotel Desk Environmental Policy Statement

Hotel Desk is a specialist company providing venue finding, hotel booking and conference management services.

Hotel Desk recognises that concern for the environment and the quality of life is an integral part of the way in which we conduct business. In carrying out its activities, Hotel Desk is committed to improving the environmental performance of the company through managing the significant environmental aspects of its services.

Hotel Desk is committed to:

- Continual improvement of its environmental performance and the prevention of pollution by annually reviewing its objectives and targets.
- Complying with applicable environmental legislation and regulations, and with other requirements to which we subscribe.
- The encouragement of “Green” policies amongst our supplier in the venue industry

Hotel Desk will:

- Communicate the policy internally.
- Make the policy available to interested parties including the public.

To reduce its significant environmental aspects, Hotel Desk shall seek to:

- At best eliminate waste at source or recycle waste materials.
- Reduce and minimise the consumption of energy.
- Reduce and minimise the use of natural resources.
- Encourage the use of environmentally sound products and services from suppliers.
- Be aware of our residential neighbours particularly in relation to noise/nuisance.
