Social and Community Policy Statement

Hotel Desk aims to manage all our business dealings with integrity and recognises our responsibilities to the welfare and well being of employees and also to wider society.

We actively encourage programmes and initiatives that are to the benefit of employees, local community, industry and wider society.

Hotel Desk is committed to:

- Continuing to develop best working practices for employees
- Communicating and raising awareness of social, ethical and environmental values
- Provide educational work placement opportunities to schools, colleges and universities
- Participating in local community initiatives and programmes
- Participating in Industry initiatives and programmes
- Providing assistance to charities through financial support and the provision of our services for charitable events.
